## Customer Reviews

This Volume #2 is just as fun and informative as the first one! If you like word puzzles and/or are trying to learn ASL (as I am) you will like this series. I happened to receive 2 copies of the book and am half way thru the second and am enjoying it just as much this time!

My client and friend Christina loves these books. She is deaf. A little bit about Christina.

<http://www.imdb.com/name/nm5414281/> These books keep her interested. She has fun with them and I believe are increasing her ASL skills and English vocabulary.

I received this book on 9/11/15 and love it! The puzzles are clear, fun to do, and challenging! Keep up the good work!

I really was able to practice my fingerspelling abilities using these wordsearchs!

good practice at visually seeing the asl alphabet in the word search...
