Little My's Book Of Thoughts. Tove Jansson And Sami Malila

Synopsis

'I see, so this is what it looks like,' said Little My. 'Whatever next?!' She immediately made a snowball and threw it with some accuracy at the squirrel. Little My's Book of Thoughts collects together the most perceptive insights from the Moomins' shortest neighbour. She knows how to ask difficult questions and give confident answers, but Little My has an undeniable talent for encouraging others to be independent and brave. Little My's Book of Thoughts includes quotes and drawings from Tove Jansson's beloved Moomins stories.
