Radio Benjamin

Synopsis

Walter Benjamin was fascinated by the impact of new technology on culture, an interest that extended beyond his renowned critical essays. From 1927 to 1933, he wrote and presented something in the region of eighty broadcasts using the new medium of radio. *Radio Benjamin* gathers the surviving transcripts, which appear here for the first time in English. This eclectic collection demonstrates the range of Benjamin's thinking and his enthusiasm for popular sensibilities. His celebrated "Enlightenment for Children" youth programs, his plays, readings, book reviews, and fiction reveal Benjamin in a creative, rather than critical, mode. They flesh out ideas elucidated in his essays, some of which are also represented here, where they cover topics as varied as getting a raise and the history of natural disasters, subjects chosen for broad appeal and examined with passion and acuity. Delightful and incisive, this is Walter Benjamin channeling his sophisticated thinking to a wide audience, allowing us to benefit from a new voice for one of the twentieth century's most respected thinkers.

Book Information

Hardcover: 424 pages

Publisher: Verso (October 28, 2014)

Language: English

ISBN-10: 1781685754

ISBN-13: 978-1781685754

Product Dimensions: 6.4 x 1.4 x 9.4 inches

Shipping Weight: 1.8 pounds (View shipping rates and policies)
