Painless Vocabulary (Painless Series)

Synopsis

This fun-filled guide to learning vocabulary replaces the fear with fun! Students will learn the meanings of new words by seeing them used in amusing contexts, find examples of vocabulary for modern technology, learn Greek and Latin word roots, track progress with challenging games, and more. Titles in Barron's™ extensive Painless Series cover a wide range of subjects taught at middle school and high school levels. Perfect for supporting state standards, these books are written for students who find the subjects somewhat confusing, or just need a little extra help. The authors'™ main goal is to clear up confusion and pique interest by emphasizing the intriguing and often exciting ways in which students can put each subject to practical use. Most of these books take a lighthearted, humorous approach to their subjects, and offer fun exercises including puzzles, games, and challenging "œBrain Tickler"• problems to solve. Bonus Online Component: includes additional games to challenge students, including Beat the Clock, a line match game, and a word scramble. Includes a new appendix.

Customer Reviews

This will be a great help for mu ESL high school freshman. He had been in ESL classes until the sixth grade where the teachers and aides spoke to him in Spanish. As a result, my tutee is sorely lagging in his English oral, reading, and writing skills.I will be working with him and his parents upon improving his confidence and use of English skills. He is smart, but very shy.
