# Michelin Guide Espagne & Portugal (Michelin Red Guide España/Portugal (Spain/Portugal): Hotels) (Multilingual Edition)

## Synopsis

The Michelin Guides offer a selection of the best hotels and restaurants in every price category. These establishments are chosen by a team of full-time inspectors with a professional background in the industry. They cover every corner of the countries, visiting new establishments as well as testing the quality and consistency of the hotels and restaurants already listed in the guide.

Shipping Weight: 1.2 pounds

Average Customer Review: 2.0 out of 5 stars [See all reviews](#) (3 customer reviews)

Best Sellers Rank: #1,148,420 in Books (See Top 100 in Books) #58 in [Books > Libros en espaÃ±ol > Viajes y turismo > Europa](#) #106 in [Books > Travel > Specialty Travel > Spas](#) #258 in [Books > Travel > Food, Lodging & Transportation > Hotels & Inns](#)

## Customer Reviews

I am always more comfortable in traveling to a country for which there is a Red Guide. They don't include the folksy details of some of the other guide books, but I like quiet hotels and I don't think that you can beat this series of guides for that information. Give me a red hotel with a red rocking chair and I'm in heaven! It's less good for restaurants, unless you are only into the high end, but when you want to find quality, it's great.

I love Michelin guides and have used them for many travels. This review doesn't reflect the guide or its content but the fact that it is listed as "Multilingual." Parts of it are multilingual but the description in the listings are all in Spanish. If you are expecting the descriptions to be in English, this is not the guide for you.

Don't get me wrong. There is only one Michelin Guide. But don't make my mistake and order a version in a language you can't read! I was making a rush trip to Spain and quickly ordered a copy

of the guide which thankfully arrived just before I headed to the airport. But oh the disappointment when I discovered it was written in Spanish. The title should have been a clue (Espana!)... but hey, pre-holiday brain fade. My copy is now in the mail back to , undoubtedly for a full refund... er, right guys?
