Customer Reviews

This is a much improved edition of what I used in esthetics school back in 2003. I felt a little out dated and wanted to reintroduce myself to knowledge that I had long forgotten. There is so much information out there... if you dont use it, you lose it. So this got me excited again and helped me find new words to reintroduce skin care to my clients. Purchase this and the workbook. You will be glad you did.

Great Condition.

Very happy
