Customer Reviews

I got this because I had really been wanting to read the Interpretation Of Dreams and Dream Psychology, but it was a great deal to be able to get all of the others too. Definitely interesting if you enjoy psychology.

good to have all his theories in one place

Great reference material for World Literature II college class and for Psychology class!

Nothing new; but I like the books included. Well worth the money.

So far I like the book and its really good reading
