Straight Sex: Rethinking The Politics Of Pleasure (Radical Thinkers)

Synopsis

Is heterosexual sex inherently damaging to women? This is the central question of *Straight Sex*, Lynne Segal's account of twentyfive years of feminist thinking on sexuality. Covering the thought of sixties-era sexual liberationists, alongside the ensuing passionate debates over sex and love within feminist and lesbian communities, Segal covers certain shifts toward greater sexual conservatism in the eighties. *Straight Sex* examines an array of issues, including sex as a subversive activity, the celibated orgasm, sex advice literature, gender uncertainties, queer politics, anti-pornography campaigns and the rise of the moral right.
