Local And Regional Anaesthesia In The Emergency Department Made Easy

Synopsis

This volume in the successful Made Easy series is aimed at all doctors working in accident and emergency departments to help remind them of the common nerve block techniques. These techniques can be difficult to master and require great precision. Each procedure is described in step-by-step detail along with accompanying colour illustrations.

ASIN: 0702034878

Product Dimensions: 4.9 x 0.6 x 7.3 inches

Shipping Weight: 9.1 ounces

Average Customer Review: 3.5 out of 5 starsÂ Â See all reviewsÂ (2 customer reviews)

Best Sellers Rank: #1,995,876 in Books (See Top 100 in Books) #856 inÂ Books > Medical Books > Medicine > Surgery > Anesthesiology

Customer Reviews

If you are a college student going into an emergency room tech field or just brushing up on techniques, this is a good place to start.

The book is very simple but missing a lot of details. For the price it is very good but generally it is not the best
