Great book for it's small size! I seen this book at the gift shop at Valley Forge on a recent vacation and couldn't make up my mind about buying it and I didn't. I was kicking myself on the plane ride home. Seen it here and had to have it! Old Ben's quotes are still relevant today and testimony to his great wit! Only four stars because although it was Prime, it took two weeks to arrive.

That little book is an intellectual treasure....and delight from page 1 to the end on page 32.The humility and genius in those 32 pages is simply mind boggling. It leaves you wondering just how uncommon a common, self educated man Mr Franklin was.How his teaching and wit could be used today and as long as man occupies this or any other planet.

I first purchased this book in Boston at the USS Constitution. I love good quotes that convey wisdom for life. I was very impressed with Benjamin Franklin's insight. I ordered three more from when I returned home from my trip. Any one who loves Proverbs would love this little book.

I use this book in my classroom to share Franklin's observations - students love it.
