Customer Reviews

This is another great book by Kally Mayer. Once again my daughter and I loved the rhymes and the great illustrations. This is a book that you will be reading again and again to your little ones, and they will gain more understanding about the older people in their lives.

This is a really clever rhyme about Grandpa and all the funny things that might go wrong in his day that make him grumpy. They are funny - and the illustrations are a hoot! The writer of the rhyme, a little girl, is really Grandpa's special little one - and she really loves her grumpy grandpa! Very cute story with fabulous illustrations!

My grandpa passed away a year ago. Everyone always thought he was pretty grumpy. I always saw the good and sweet in him. I bought this book to read to my daughter, to honor him in a way. It's a sweet way to keep him in our thoughts. I really enjoyed reading this story to my 18 month old. She enjoyed looking at the pictures and actually sat still through the whole story! Great job! :)

Kally Mayer writes brilliant children's rhyming picture books. Her book Children's EBook: My Grandpa is NOT Grumpy! (Funny Rhyming Picture Book for Beginner Readers ages 2-8) ("Early Readers Picture Books" 2) is beautifully illustrated and written with the love of grandparents for their grandchildren. My young niece became the apple of my father's sparkling eyes. As she grew older, she became his best friend. He loved her beyond words. Give this book to your young children for Grandpa to read for a good bedtime story. The end has a loving message for Grandpa that will last for years to come.

What a cute story. Grandpa is getting old and has some trouble with things. The author writes in rhyme and makes this "grumpy" grandpa quite comical. The illustrations are cute and bound to make a child giggle. I giggled myself as I could really identify with grandpa when he was looking for his glasses and had them on his head! The book ends in a sweet loving way ...and for any grandpa that has a sense of humor, this may just be the book they want to share with their loving grandchild!

This is an excellent story to read to little ones who are either close to a grandparent or who don't understand why getting older sometimes makes people a bit cranky. The narrator defends how her

grandpa feels in rhyme and the pictures that go with are just adorable. The illustrations have a sweet, cartoonish look. My favorite picture was the one where Grandpa fell in the toilet. It made me laugh! Grandparent's Day is coming up. This book would make an excellent gift for it.

Kally Mayer has done it again. A funny endearing book for children and family. I laugh at the pictures and the story as it flowed along. Strong rhythm in the words throughout the book. Kally, you hit it out of the park on this time.

The illustrations were beautiful. This is definitely one bedtime book that cannot be missed for beginner readers... The full page illustrations will definitely entice my children, great lesson to learn too...
