Don'ts For Husbands

Synopsis

Don'ts for Husbands and Don'ts for Wives are facsimile editions of the original books published by A&C Black in 1913. Each pocket-sized book contains hundreds of snippets of entertaining advice for a happy marriage, which rings true almost 100 years after they were written. The reissued titles are ideal Christmas stocking fillers, and gifts for weddings, engagements and anniversaries. Advice appears under the following chapters: 1. Personalities 2. How to Avoid Discord 3. Habits 4. Financial Matters 5. Evenings at Home 6. Jealousy 7. Recreation 8. Food 9. Dress 10. Entertaining 11. Household Management 12. Children. Among the bon mots there is much wisdom. They would make great stocking fillers, or wedding anniversary gifts!' Good Book Guide (October 2007)

Book Information

Series: Don'ts

Hardcover: 80 pages

Publisher: A&C Black; Min edition (June 30, 2009)

Language: English

ISBN-13: 978-0713687910

Product Dimensions: 2.6 x 0.4 x 4.5 inches

Shipping Weight: 0.3 ounces (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars [See all reviews](#) (85 customer reviews)

Best Sellers Rank: #23,233 in Books (See Top 100 in Books) #38 in [Books > Politics & Social Sciences > Sociology > Marriage & Family](#) #199 in [Books > Parenting & Relationships > Marriage & Adult Relationships](#) #232 in [Books > Self-Help > Relationships > Love & Romance](#)

Customer Reviews

In 1913, women were expected to wear smotheringly hot full length dresses in order to be considered decent. Most women did not work outside of the home, being expected to be happy in their role as wife and mother. In most of the world, women didn't even have the right to vote. Surely any marital advice given at this time would seem incredibly outdated or, at the very least, charmingly quaint, in the year 2011? It was with this attitude that I first opened the pages of Don'ts for Wives by Blanche Ebbutt. It did not take me long to realise just how wrong I was. While some of the tips are no longer relevant to the average reader - those having to do with how to deal with servants, for example - much of the wisdom within this volume is as relevant today as it was then. I found myself taking note of many pieces of advice, with the intention of attempting to remedy my behaviour within

my own marriage. Much chastened, I moved onto 'Don'ts for Husbands' with a more open mind. Once again, I was surprised at how relevant much of Ms Ebbutt's advice is to today's relationships and the progressiveness of some of the points, considering the era in which the book was written. It is a shame that these books have been so unknown for so long, as I feel that the advice in them is more relevant to a newly married couple than a dozen books of the Men Are from Mars, Women Are from Venus: The Classic Guide to Understanding the Opposite Sex persuasion.
