Unmentionable: The Victorian Lady's Guide To Sex, Marriage, And Manners

Synopsis

A scandalously honest guide to the secrets of Victorian womanhood. "If Unmentionable does not secure the Pulitzer Prize for Most Fascinating Book Ever, the whole gig is rigged. Therese Oneill opens the doors to everything we secretly wanted to know about the Victorian era, but didn't think to ask. Knickers with no crotches? Check. Arsenic as a facial scrub? Check. The infrequency of bathing and the stench of the Victorian human body? Check mate. "Hilarious, horrifying, shocking and revelatory, Unmentionable is for every girl who pictured herself running through a field of wildflowers in a silk dress and Little House on the Prairie boots, only to discover she has nits in her hair, her clothes have never been washed and she sleeps with her poop under her bed in a bowl. A miracle of a book and one of my favorite reads ever, Unmentionable will be my go-to gift this year. All hail Therese Oneill for uncovering all of that dirty, dirty laundry." -- Laurie Notaro, #1 New York Times bestselling author of It Looked Different on the Model and Housebroken

Book Information

Hardcover: 320 pages

Publisher: Little, Brown and Company (October 25, 2016)

Language: English

ISBN-10: 031635791X
