Customer Reviews

"Wonderful Ways to Love a Grandchild," speaks to the heart and soul of a grandparent. It reminds those of us who ARE grandparents, what a special title this is. And to those of us who will one day be grandparents, it fills us with anticipation of this wonderful event. The perfect gift for a grandparent.

Five grandchildren and I still refer to this book which I keep in the "office"; it is so full of ideas - some we already know, but many new ways to connect with the children well into their teens.

Such a wonderful book, filled with great suggestions, comments, and understanding of the sometimes complexities of being a grandparent. I would recommend this book to anyone who is

enbarking on being the best grandparent. ENJOY!!
