Alicia En Un Mundo Real (NÃ“MADAS) (Spanish Edition)

Synopsis

La divertida y valiente historia de una mujer que ha superado el cáncer de mama. La Alicia que os presentamos no vive en el País de las Maravillas. Ha pasado por una experiencia que, lamentablemente, es real y común para muchas mujeres: un cáncer de mama. Sin embargo, gracias a su espíritu luchador, alocado y positivo, ha sabido darle la vuelta a la situación. Ni el periplo de la enfermedad ni los tratamientos agresivos ni la extirpación de un pecho le han robado el sentido del humor. La protagonista de esta historia nos cuenta su aventura partiendo de un lema muy claro: la vida después del cáncer ya nunca es igual | pero viene a ser lo mismo.
