Pediatric Neurosurgery: Tricks Of The Trade

Synopsis

Pediatric neurosurgery is a uniquely exacting subspecialty in which surgeons are given the extraordinary privilege of alleviating suffering for gravely ill children, and in best-case scenarios, restoring their health. Understanding the vast and complex anatomy, pathology, and pathophysiology that evolves throughout childhood presents considerable challenges. Further, the field is rapidly progressing with advancements in neurodiagnostic imaging and surgical instrumentation, as well as an expanding knowledge of the molecular and genetic bases underlying many neurosurgical disorders. While this book's primary focus is on how to achieve technical excellence in the OR, this is a remarkably personal book about the art of pediatric neurosurgery. In it you will find wisdom gained from decades of experience. Read this book, use the knowledge you gain from it, and you will become a safer, more skillful neurosurgeon.

Special Features: More than 800 stunning, full-color illustrations
Online access to videos in which experts from all over the world demonstrate the operative nuances and techniques that help surgeons get patients safely in and out of the OR
Written by master surgeons from 10 countries who share a wealth of insightful wisdom garnered from years of experience, refinement of surgical techniques, and development of numerous innovations
Surgical pearls, operative nuances, procedural modifications, and techniques for avoiding and dealing with pitfalls
This state-of-the-art volume is an unparalleled teaching tool that reveals invaluable tricks of the trade. It is an essential resource for pediatric and general neurosurgeons, neurosurgery residents and fellows.

Book Information

Hardcover: 912 pages

Publisher: Thieme; 1 Har/Psc edition (November 9, 2015)

Language: English

ISBN-10: 1604068698

ISBN-13: 978-1604068696

Product Dimensions: 8.7 x 1.8 x 11.1 inches

Shipping Weight: 1.6 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (2 customer reviews)
