Pregnancy: What To Expect When You Are Expecting: A New Parent's Guide To Welcoming Your First Child

Synopsis

So you're having a baby! You're probably already planning or thinking about what happens next. When your baby arrives, those first six months can bring all kinds of fun and games...and a few sleepless nights. Daisy Hunter gives practical advice for moms to be, setting out what your baby needs and expects of you in those crucial first six months. It's heartwarming, practical, informative and a recommended read for any expectant mother. Finding out your pregnant can be exciting, scary and stressful in equal measure. 'What To Expect When You're Expecting' is aimed at newly pregnant mothers, and parents expecting the arrival of their first child, packed with information and tips to welcome your new baby to the world. Learn what the first six month's of your baby's life holds in store, both for the child and for you as parents.

Customer Reviews

The advice sounds practical, honest and uncomplicated. Some grammatical errors in the e-book version I downloaded didn't detract from the message or caring advice. I may look at this again when I am getting ready to shop for baby supplies in a few more months. I enjoyed the book.

Thanks
