Video Atlas Of Advanced Minimally Invasive Surgery: Expert Consult - Online

Synopsis

Video Atlas of Advanced Minimally Invasive Surgery brings you the detailed visual guidance and unmatched expertise you need to master the most important and cutting-edge minimally invasive procedures and the treatment of unusual cases. Full-color photographs and narrated procedural videos online and on DVD lead you step by step through today's most effective techniques. Tips and "secrets" from a veritable "who's who" in the field equip you to deliver optimal results while minimizing or avoiding complications. Hone and expand your surgical skills by watching videos of Dr. Frantzides and other leading international experts performing advanced techniques. Visualize how to proceed by reviewing beautifully illustrated, full-color anatomic artwork which provides well-rendered representations of underlying structures, anatomy, and pathology. Prevent and plan for complications prior to a procedure thanks to a step-by-step approach to each procedure, complete with personal techniques and secrets from leading experts.
