Fu#@ing Seriously? (Real Stories From A Small-Town ER)

Synopsis

In this NOT SAFE FOR WORK edition of Real Stories from a Small-Town ER, registration clerk Kerry Hamm takes a stab at telling stories with bad language, dark humor, and cynical observations about work. In another condensed version of the series, we learn about forgotten sports, appendage amputations, suicide attempts, drunk and high patients, and you'll find yourself STILL asking why people do some of the things they do. If the dirty version isn't your cup of tea, don't fret! Swing on through Kerry's listings until you find the CLEAN version of this edition: 'Freakin' Seriously?'

Customer Reviews

Having been in the EMS field for 25 years, I've dealt with some of the patients like the ones this author writes about, some funny, some sad. A good look at what working the front desk in an ER must be like. I have enjoyed all the books by this author and hope there are more to come!
