Committed To Love, Separated By Distance: How To Thrive In Your Long Distance Relationship (Relationship And Dating Advice For Women Book 8)

Synopsis

Committed to Love, Separated by Distance Thinking of pursuing a Long Distance Relationship? Or are you in the middle of one right now? Is trust an issue? Is your future a concern? I've got the ANSWERS for YOU! Hi, I'm Gregg and I can help you thrive in your LDR! How? Because I am a dating coach who is currently in a long distance relationship AND I have interviewed many successes and failures of long distance lovers. I know the pros and cons and I will prepare you for what is to come or I will IMPROVE your current situation by keeping both of you upbeat and busy preparing for your next rendezvous. Committed to Love, Separated by Distance will;

- 1) Give you and your lover a 10 question test to help predict your success
- 2) Give you ALL the available resources to stay in contact
- 3) Show you how much contact is enough
- 4) Teach you how to stay busy and not obsess when you are apart
- 5) Show you ways to keep up the romance like a Skype date night
- 6) Give you tools to save money so a rendezvous can happen more often!

We are going to dig so deep into this subject that you are going to get excited! Technology has made LDRs incredibly viable today. Long gone are the days of waiting for a letter or a call in a phone booth. Can you imagine? Not only will this long distance relationship book keep you from breaking up, it will have you thriving better than most non LDRs. You see, this type of setup forces communication, it forces the long distance couple to talk about their days and their feelings towards one another and this is a GREAT thing. I take advantage of this and I build you a bullet proof LDR that others will STOP questioning and may even become jealous! Are You in a Long Distance Relationship? Don't Pass Up this Book!

- 1) We will define your relationship
- 2) I will help you set boundaries
- 3) We will define the end game by setting up goals of where, how and when you will be together
- 4) You'll get 65 discussion topics to keep things fresh
- 5) I'll show you 26 great activities to do together

Customer Reviews

Anybody in a long distance relationship could use this book to keep the romance and passion alive. Got a son or daughter away fr home for school or other pursuits? A lot of what the author suggests can be used in communicating with them too.

This was a quick read, but packed with useful information. The more I read the book, the more I liked it. The section on using technology to your advantage and the different ideas to stay connected was very helpful. Not being up to date on technology I didnâ™t even know about Google+ hangouts. This books gives insightful pros and cons of a LDR. It gives one hope that an LDR can work, but also brings reality to the situation that itâ™s not easy. Do's and don't were very helpful. I like the beginning of the book being very positive about LDR, because I do believe one can find that special someone anywhere.

This is a great little e-book, filled with good advice and creative ideas on how to make a long distance relationship flourish.

If you are in a Long Distance Relationship or might have one soon enough, then this book is definitely for you.Iâ™ve came across different books regarding LDR, but this one really got me thinking about what I have right now and what I can look forward to in the near the future.Two

Thumbs Up to Gregg!

This book was an easy read and gave me and my long distance boyfriend some ideas to keep things even stronger. I love how he educates you on how to answer friends and fam that may approach you negatively about your decision to have this type of relationship.

a lot of brilliant ideas,great books for long distance relationship couples.definitely five stars. Also,I got Gregg his personal kind reply,very useful as well

It wasn't as good as I thought it would be but I'll give 5stars,cuz ordered myself on my Kindle.
