Customer Reviews

I expected the book to be in better conditions, it has stains on the sides. However, since it is a very good read, we did not care. Pages are in good conditions for reading. No highlights, marks or the sort. This book is of great value for couples looking forward to marriage, or married couples who wants to improve their relationship. Many practical instructions for daily life. Esperabamos el libro en mejores condiciones pero tiene manchas en el lomo y los costados. A pesar de esto, es tan buena lectura que estamos contentos con el libro. Las pÃ¡ginas se leen bien, no estÃ¡n marcadas ni tienen apuntes. Este libro presenta gran valor para las parejas que piensan casarse o los casados que quieren mejorar su relaciÃ³n. Contiene muchas instrucciones prÃ¡cticas para la vida de pareja.

The suggestions in the book are very useful for a couple. There are a lot of practical ideas for having a lasting married.
