# Schein's Common Sense Emergency Abdominal Surgery

## Synopsis

This, the 4th edition of Schein's Common Sense Emergency Abdominal Surgery, builds on the reputation of the three previous editions. Already a worldwide benchmark, translated into half a dozen languages, this book guides surgical trainees logically through the minefields of assessment and management of acute surgical abdominal conditions. General surgery as a concept may have been overtaken in many parts of the world by the development of niche specialties, but the need for a cohort of generalists able to deal competently with common surgical emergencies has not gone away. If you recognise this need then this is the book for you! Tyro surgeons and experienced practitioners alike will benefit from the distilled wisdom contained in these pages. The direct, no nonsense, writing style, supported by entertaining cartoons, gives clear guidance while at the same time providing amusing insights into our collective surgical psyche. NOT a standard textbook. Buy it! You will not regret it. Some new editors and authors enhance the new edition. Almost all chapters have been revised to take account of new concepts and modern developments. New chapters have been added and some completely rewritten often with a new emphasis on the importance of a laparoscopic approach.'

## Book Information

Paperback: 752 pages

Publisher: Tfm Pub Ltd; 4 edition (September 2015)

Language: English

ISBN-10: 1910079111

ISBN-13: 978-1910079119

Product Dimensions: 1.5 x 6 x 9 inches

Shipping Weight: 3.6 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 starsÂ Â See all reviewsÂ (1 customer review)
