Coronary Artery Disease: An Incredibly Easy! Miniguide

Synopsis

This take-anywhere guide uses trademark Incredibly Easy! checklists, cartoons, summaries of key points, quick quizzes, and an eight-page color guide to pathophysiology to create the Incredibly Easy! learning style nurses love. Contents include understanding coronary artery disease, preventing coronary artery disease, assessing patients with coronary artery disease, treating patients with coronary artery disease, coronary artery disease complications, and teaching patients with coronary artery disease.
