# Public Speaking: The Evolving Art (Book Only)

## Synopsis

PUBLIC SPEAKING: THE EVOLVING ART is the first book to meet the expectations of today's students while both preserving and offering innovative variations on the well-respected traditions of public speaking instruction. Throughout the text, in short video segments, four peer mentors expertly guide readers through the concepts and strategies presented in the text.

## Customer Reviews

This book worked very well for all intended purposes. Was able to highlight and make notes in this as well. A great alternative if you're not one of those people that likes to have a physical book in hand.

this book was delivered on time and has really helped with my Comm 101 class through Ivy Tech Community College.

I would rent through kindle again and again...no back ache hauling thick college books around!!Will do it again next semester
