My Twin Pregnancy Week By Week: The Ultimate Planner For Moms Expecting Twins

Synopsis

Your twin pregnancy is different. Unlike moms-to-be expecting just one baby, you have more to think about from additional prenatal tests to your need for more calories and protein. And what about after your twins come home? It can be confusing during that first chaotic month to remember who pooped or ate last! But not to worry. Author and blogger, Christina Tinglof (Double Duty, Parenting School-Age Twins & Multiples, and Talk-About-Twins.com), has created My Twin Pregnancy Week by Week, a pitch-perfect pregnancy planner designed specifically with you in mind--the mom carrying not one but two!
