Health Promotion Throughout The Life Span (Health Promotion Throughout The Lifespan (Edelman))

Synopsis

With the advent of health care reform and an emphasis on reducing health care costs, health promotion and disease prevention is a priority in nursing care. Be prepared with *Health Promotion Throughout the Life Span, 8th Edition*, your comprehensive guide to major health promotion concepts. Featuring practical guidance — including boxes on diversity awareness, evidence-based practice, innovative practice, hot topics, and quality and safety as well as case studies and care plans — our experienced authors give you all the tools you need to stay current on the latest research and trends in health promotion. Extensive coverage of growth and development throughout the lifespan emphasizes the unique problems and health promotion needs of each age and stage of development. Separate chapters on each population — group, individual, family, and community — stress the unique issues faced when providing care to each group. Evidence-Based Practice boxes emphasize current research efforts and opportunities in health promotion. Hot Topics and Innovative Practice
