Customer Reviews

This book J.S. Scott tells of the order as well of all the book she has written. Use it as a tool for the chronological order they were written. It is very helpful. Because it is so accurate I would rate it

high.

If you can access Kindle Unlimited to look at this book, go ahead and do that if you are really curious about the book. If not save your 99 cents to put towards another book.

Haven't really had a chance to use it.

Cant believe I was suckered into buying this----so mad at myself. DO NOT WASTE YOUR MONEY!!!!
