Foundations Of Athletic Training: Prevention, Assessment, And Management, 5th Edition

Synopsis

This text integrates basic medical concepts and related scientific information to provide a strong foundation of general athletic training practices. Using a problem-solving approach to prevention, recognition, assessment, management, and disposition of sports-related injuries and diseases, this text provides athletic trainers and athletic training students with the most extensive, challenging content in a user-friendly format. **New Content!** This edition features a new chapter on Psychosocial Intervention Strategies.
