# Siblings Without Rivalry: How To Raise Your Children Together For A Peaceful, Happy And Loving Life

## Synopsis

You will love this highly effective parenting book! It has the best advice, from toddlers to teens!Â  
Â Siblings Without Rivalry is written by Brandi Rossi, a highly respected & popular parenting expert, who is a parent herself. She gives only her proven, highly effective strategies which have shown amazing results, time & time again to solve common parenting problems. She knows times change, especially with increasing numbers of working mothers, single parents, and A.D.H.D. diagnoses on the rise. This book gives the best advice for many different scenarios.Â Â Â The other parenting books out there are simply not as effective, one reason being because they are not up-to date and are behind our time.Â Â In this book, you will learn:Â How to stop the yelling, fighting & raise strong friends for life. How to foster cooperation instead of competition between your children. How to help your kids talk and listen to each other, developing empathy. How to listen to your children to better understand what is going on behind the complaint or fight.Â How to help strengthen team bonding through positive family activities. How to cope with your child's negative feelings such as anger, disappointment, & frustration, then turn them into positive. How to understand the difference between helpful & unhelpful talk, praise and discipline. How to make it possible to experience the joys of their special relationship. Foster a loving family culture which encourages laughter and minimizes fighting. To teach each child about setting limits and establishing ground rules for their own relationships throughout their lives. Help your kids form a close, lifelong sibling bond-as well as the relationship skills they will need for a peaceful life of healthy relationships and eventually their own family bonds. Your children deserve the very best! Â So what are you waiting for? Click BUY NOW!!Â
