Synopsis

Spanish Conversation Book Intermediate I, the second volume of a series of 3 books: Spanish Conversation Book for Beginner, Intermediate and Advanced Students presents a series of dialogues fully translated from Spanish to English to suit the particular interests of independent students of Spanish as a Foreign Language. We have put together a vast collection of short, medium length and long dialogues recently created by Iris Acevedo A. founder of Costa Rica SpanishOnline, the first online Spanish school in Costa Rica to provide online Spanish immersion programs for independent learners who prefer to study Spanish, One-On-One via Skype. The series Spanish Conversation Book for Beginner, Intermediate, and Advanced Students provides Spanish Language learners with a deep view of Spanish Grammar structures, entwined within each sentence in dialogues as you read with pleasure, without the need to look up every word in the dictionary or to look up the meaning in a list. We guarantee that you will find these dialogues an engaging and unique source for practicing structures that require extensive work in order to master skills previously acquired in a classroom environment or through independent learning. In addition, we offer a great complement for Spanish Grammar comprehension, containing vocabulary currently used in Latin America in the year 2016: Spanish Reader Intermediate, from a series of six books: Spanish Reader for Beginners, Intermediate and Advanced Students.
