Customer Reviews

Used as a textbook I found the material fairly current, with good text boxes, and informative. I especially liked the sections on Great Britain and China, but found the section on Islam/Sharia confusing in places. Then after all, that is what you have a professor for!

NOTE: This item is the international edition but has the identical content to that of the US edition. I used this book in place of 978-1111832575 at ISU.

Exacly what I needed. Huge savings. Quick shipping.
