Glossary Of Oral And Maxillofacial Implants

Synopsis

This useful glossary contains definitions and descriptions of more than 2,000 implant-related terms, accompanied by literature references when appropriate. A multitude of illustrations and photographs enhance understanding visually, and a searchable CD-ROM makes the glossary more convenient and easy to use. The aim of the glossary is to increase consistency in the implant-related terminology used worldwide. Endorsed by: Academy of Osseointegration, European Academy of Osseointegration, American Academy of Periodontology, and American College of Prosthodontists.
