Alopecia Areata: Jewish Answers To A Modern Disease

Synopsis

Alopecia Areata has gone biblical; What does Judaism have to say about this incurable hair-loss? This paperback introduces Alopecia Areata as a form of the biblical skin condition called tzaraath, and talks about the divine message hidden behind Alopecia and the personal strengths this condition is set to call out. Along with the preventives, cures, and treatments laid out in rabbinic literature, the information here is sure to inspire the reader with positive reflections of Alopecia's value. A good read for anyone interested in gaining a handle on Alopecia Areata.
