Politics And Society In The Contemporary Middle East

Synopsis

This cutting-edge examination of the domestic politics of the Middle East •now thoroughly revised to reflect the events of the Arab Spring• has quickly proven itself ideal for classroom use. The book has been designed to give students tools that will help them to analyze politics in the region not only during the present unsettled period, but also as events unfold. Offering insightful analyses and a wealth of accessible information, it encourages comparative, critical thinking by students at all levels.

Customer Reviews

I bought this book for my "Middle East Politics" class and I found it interesting. I think there might still be better books outside there but this one is not too bad. I am not sure I will keep for myself after the term though.

Such a great book. Do invest in it. The readings are simple, easy, and engaging.

Thanks
