Customer Reviews

a short quick note telling exactly steps to return a Borrowed kindle book. I had looked every where except on My Account.

This book does not describe the steps to actually return a book. It provides links to follow to accomplish this task. The embedded links are not functioning.

I clicked on this "book" in error thinking it was some free useful information. This should be part of the user manual. What a waste of my monthly allotment.

It has handy link for returning the books to kindle unlimited right in the front .

Enough said! This truly is a three step guide to returning kindle unlimited books. Now I can get rid of

books I'm done reading or I'm not gonna read.

I have emailed support for the answer to this question and when I find the solution you charge me \$3 for this piece of crap
