Once And For All: The Best Of Delmore Schwartz

Synopsis

The publication of this book restores a missing chapter in the history of twentieth-century American literature. With his *New Directions* debut in 1938, the twenty-five-year-old Delmore Schwartz was hailed as a genius and among the most promising writers of his generation. Yet he died in relative obscurity in 1966, wracked by mental illness and substance abuse. Sadly, his literary legacy has been overshadowed by the story of his tragic life. Among poets, Schwartz was a prototype for the confessional movement made famous by his slightly younger friends Robert Lowell and John Berryman. While his stories and novellas about Jewish American experience laid the groundwork for novels by Saul Bellow (whose *Humboldt's Gift* is based on Schwartz's life) and Philip Roth. Much of Schwartz's writing has been out of print for decades. This volume aims to restore Schwartz to his proper place in the canon of American literature and give new readers access to the breadth of his achievement. Included are selections from the in-print stories and poems, as well as excerpts from his long unavailable epic poem *Genesis*, a never-completed book-length work on T. S. Eliot, and unpublished poems from his archives.

Book Information

Paperback: 280 pages

Publisher: New Directions; Reprint edition (May 3, 2016)

Language: English

ISBN-10: 0811224325

ISBN-13: 978-0811224321

Product Dimensions: 5.2 x 0.9 x 8 inches
