Customer Reviews

I really enjoyed this sports/college romance. This was a well developed story with great characters. I loved Abe and Madison's characters. They were perfect together, I loved the fact that they share a past. When they were younger they both had crushes on each other. Both have been through some tough things in life that changed them and together they understand each other. I enjoyed the conflict from the ex girlfriend it made the book interesting. The story held my attention until the end.

What an amazing modern day interracial love story, filled with a crazy ex-girlfriend; I am just a bit confused as to why Abe and Madison didn't go to the police after that Cray Cray Bethany cut Madison's hair off, that clearly was assault and an act of violence..... I am happy that Abe and Madison had a beautiful happy ending and with a beautiful child. Kudos

A sweet love story between a shy woman and a jock who has had a rough past. Their love was destined to be though they have been separated for about 8 years. This story also shows what lengths a scorned woman will go to to extract revenge. Hidden skeletons have a way of coming out of the closet. Bethany got exact what was coming to her.
