I can't believe some of the prices for this book! A new updated version can be purchased on the herff jones nystrom website for \$10.00. [...]

This atlas is easy to use and is the same as the school uses in the classroom. Up to date and easy to find what you are looking for.

This was an item on my daughter's school supply list. I wondered what was the difference between it and a regular atlas?? It is complete, consise and very easy to understand. Very happy with this and the price!!!

Needed this atlas for my 6th grader. It was recommended by her teacher. It was in perfect shape, and she uses it often.
