Customer Reviews

In these times of touchy cultural boundaries, educating children is the best way to support the future. "Books about the Middle East: Selecting and Using them with Children and Adolescents" is a guide for libraries to help children learn about cultural diversity through their school and public libraries, discussing books that help teachers deal with the cultural differences that may arise when they speak with their students. Sure to fill in educators and librarians on everything they need to know to enhance their curriculum with tolerance and diversity, "Books about the Middle East: Selecting and Using them with Children and Adolescents" is highly recommended for community

libraries.
